

Distinguished Flying Cross Award Citation

The *Distinguished Flying Cross* is presented to A/IC Guy Carr for extraordinary achievement while participating in aerial flight, 1951 to 1952. Sergeant Carr, flight engineer on a B-26 Bomber flew search and destroy missions in North and South Korea. They destroyed trains, enemy encampments and AAA gun placements. The professional competence, aerial skill, and devotion to duty reflect great credit upon himself and the United States Air Force.
